Dear MS. MARIYA ANTONY,

Thank you for being a part of the SOS India Family and supporting the #NoChildAlone campaign by SOS Children's Villages of India! There are 2 crore children in India who do not receive adequate parental care. This number is estimated to rise to approximately 2.4 crore by the year 2021. The #NoChildAlone campaign by SOS India is a call to acknowledge the plight of these 2 crore children and evoke a response to ensure that over 26,000 children under the care of SOS India will never be alone again.

SOS Children's Villages of India has been working for over 50 years to provide family like care to such children, when brought into any of our Villages.
